Building Champions prepared to support migration are Kito Covington & Matt LeFevre			

*Outages will be limited to the **migration windows above** when accessing the network. All work times are subject to change as they are estimates overall. Where the Program Team predicts additional outage time, awareness will be provided to the Building Champion.

What You Need to Do

Please ensure you have identified your device and taken the appropriate [preparation steps](#) where required.

What You Need to Know

1. During wired migration, all wired and wireless networks will experience an outage at some point during the migration window
2. Onsite technical support will be available following wired migration
3. For post-migration support, be sure to log a ticket with the [ITS Help Desk](#) at **203-432-9000** and **mention NGN migration** for prioritization, tracking, and quick resolution
4. Some computers, telephones, and devices may need to be rebooted upon completion of NGN migration
5. The wireless networks you are accustomed to utilizing across campus - YaleSecure, YaleWireless, YaleGuest, and eduRoam - will continue to be available after migration
6. Helpful community resources can be found on the Support Hub of the [NGN website](#)
7. Ongoing, you will log into the network exactly as you did before, using your NetID and password

New to our campus community or need to catch up on former NGN communications? Visit the [NGN website](#) to view [earlier NGN communications](#) for YSM Buildings, access community resources, or log a request for support.

Thanks to your active participation over the past several weeks, we are looking forward to a seamless transition to NGN for our building community.

Sincerely,

Kito Covington
