Securing your connectivity for the future

# ARE YOU READY FOR ENA WIRED?

Enhanced Network Authentication for  
Wired Devices ("ENGA WIRED") is  
Coming Soon to Our Building!

Do you use a  
wired device that  
is *not* managed  
by Yale ITS?

Software  
Library

On a Yale-managed device and having  
issues accessing the Yale network? Call the  
Help Desk at 203-432-9000 for assistance.

On a wireless device? No need to do  
anything. ENA Wired won't affect you.
